**YOUR TRUSTED PARTNER IN
PRIVATE LABELING**

SHIIV IMPORTS

Welcome

Welcome to the world of Shiiv Impex – your ultimate destination for quality import and export Solutions. With an extensive range of products spanning various categories, we are your trusted partner for private labeling and international trade.

About us

Shiiv Imports, your premier partner in the import and export industry in Australia and New Zealand. At Shiiv Imports, we excel in offering comprehensive import and export solutions, specializing in private-label services across diverse product categories. With a steadfast commitment to excellence and trust, we empower businesses to expand their offerings by seamlessly sourcing top-quality products from around the globe.

Shiiv Imports, proudly hold ISO 9001:2015 certification, ensuring our unwavering commitment to quality management systems and delivering exceptional products and services to our valued clients.

With our extensive network and vast industry knowledge, Shiiv Imports can source virtually any product from any part of the world. Whether it's specialty food items, consumer goods, or industrial products, we have the expertise and resources to fulfill our clients' sourcing needs, enabling them to access a diverse range of products for their target markets.

We understand the importance of brand identity and differentiation. That's why we offer expert private-labeling services, allowing our clients to customize products to their specifications and market them under their own brand name. From product design and packaging to quality control and logistics, we handle every aspect of the private-label process with precision and care.

WHERE QUALITY ISN'T JUST ASSURED, IT'S GUARANTEED

Quality begins at the source. We prioritize sourcing from trusted suppliers and manufacturers who share our dedication to excellence. Our on-site visits and evaluations, coupled with strict quality checks, guarantee that only the highest quality products make it to our clients' shelves.

Before your order is placed, our dedicated on-ground Quality Control team conducts thorough inspections at the factory site. This ensures that the manufacturing site holds the necessary quality certifications and adheres to our stringent standards. Regular visits and inspections further enable us to maintain control over product configuration and scale.

Our dedication to quality extends beyond the manufacturing process to logistics and packaging. We employ efficient logistics solutions to ensure timely delivery of products without compromising on quality.

We are a strong believer of continuous improvement. We regularly review and refine our Quality Assurance Process to adapt to changing market dynamics and customer requirements. This commitment to excellence ensures that we consistently deliver products of the highest quality to our clients.
